QUESTION 1: TRANSLATION (80 marks)**Translate into French**

Every year, students of the examination classes of our school go for a picnic as part of their end of year activities. Our turn was to be in April last year. My classmates and I had decided to go to the botanic garden.

The discipline master was to accompany us and to ensure our safety. Everybody was waiting impatiently for that outing. We all packed our little picnic bags one week before in preparation for that day. The only interesting topic of discussion was the outing. I could not wait to go and climb on trees.

Two days before the date of our long-awaited trip, the government announced the immediate shut down of schools because of the corona virus pandemic.

"Why only now! Can't it wait?" We all shouted at once.

My friends and I wept bitterly because we knew all was lost. Our dreams will never come true.
